REASONS FOR ALLOWANCE

Action Background

1. This action is responsive to the Amendment After Final reply, filed by the applicant on 12/2/2005.
2. Applicant has proposed amending claims 10 and 18 to overcome the objection that the claims are dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of limitations of the base claim and any intervening claim (as described in the office action dated 9/29/2005). Applicant has further proposed canceling claims 1-9, 13-17 and 21-26. Applicant's request for reconsideration is persuasive in view of applicant's proposed amendments and related remarks. Therefore the finality of the previous Office Action (dated 9/29/2005) has been withdrawn. The proposed amendment (dated 12/2/2005) will be entered.
3. Applicant has cancelled claims 1-9, 13-17 and 21-26, and amended claims 10 and 18.
4. Claims 10-12 and 18-20 are pending in the case, claims 10 and 18 are independent claims.
5. The examiners rejection of claim 1-9, 13-17 and 21-26, made under 35 USC 103 as being unpatentable over Alam et al., US Patent 6,336,124 in view of Kuroda et al. US Patent 6,094,186 is withdrawn in view of the canceling of these claims.

Reasons For Allowance

6. The following is an examiner's statement of reasons for allowance:

Regarding independent claims 10 and 18, the prior art of record neither anticipates nor suggests to a person of ordinary skill, at the time the invention was made, the claimed method and computer readable medium for creating and displaying stylized digital content as described in the limitations of claims 10 and 18.

7. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

8. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Gregory J. Vaughn whose telephone number is (571) 272-4131. The examiner can normally be reached Monday to Friday from 8:00 am to 5:00 pm.
